Subject: June 6, 2019 Public Records Act Request

Dear Anonymous:

This letter acknowledges and responds to your California Public Records Act request dated June 6, 2019. You requested "[a]ll electronically transmitted CPRA responses (including a copy of all responsive records and all follow-ups, and no matter how they were sent) prepared, owned, used or retained by your Agency, transmitted between April 21, 2019 and the date of receipt of this request," as a separate follow-up request to your April 21, 2019 Public Records Act request.

On May 1, 2019, you clarified your April 21, 2019 Public Records Act request to ask for "CPRA responses (including a copy of all responsive records and all follow-ups, and no matter how they were sent) prepared, owned, used or retained by your Agency, transmitted between January 1, 2018 and the date of receipt of this request." Your April 21, 2019 request therefore already requested "CPRA responses" transmitted on April 21, 2019.

Cal OES is in possession of, and intends to produce the documents responsive to your request, so far as it is for "CPRA responses" transmitted between April 22, 2019 and June 6, 2019. Cal OES will not produce documents duplicative of documents responsive to your April 21, 2019 request.

Cal OES is presently identifying and collecting a voluminous amount of separate and distinct records responsive to your request. Cal OES will provide the next update to you by July 8, 2019.
